Let's Think Together

We can change our future

2019.11.18

Get a project from Nagano partner-group

You should put a casino in countryside

- Give comments
- Add slides
- Improve original suggestions!
- Count Plan

YES

economy

The trouble about the casino

- If we build the casino the thief and some drunk people have make trouble with people on street or other place and city will have more and more bad things everyday
