

End the Poverty

—Microfinance and Violence

AUTHORS S.Y. Chen

I. Abstract

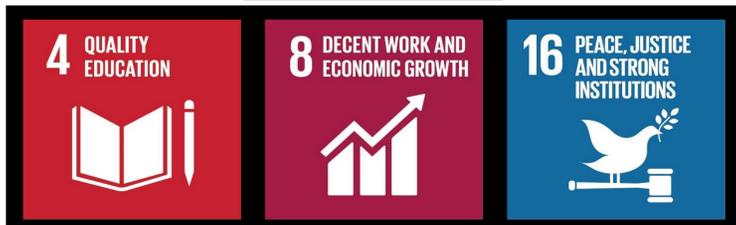

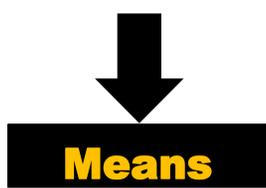

(i) The dimensions of development

The 17 Sustainable Development Goals (SDGs) build on Millennium Development Goals (MDGs) and aim to go further to end all forms of poverty.

What can we do?

II. Means-

Economic independence and absence of violence

(i). Microfinance

The goal of microfinance is to give low-income people an opportunity to become self-sufficient by providing a way to save money, borrow money and get insurance.

(ii) Violence

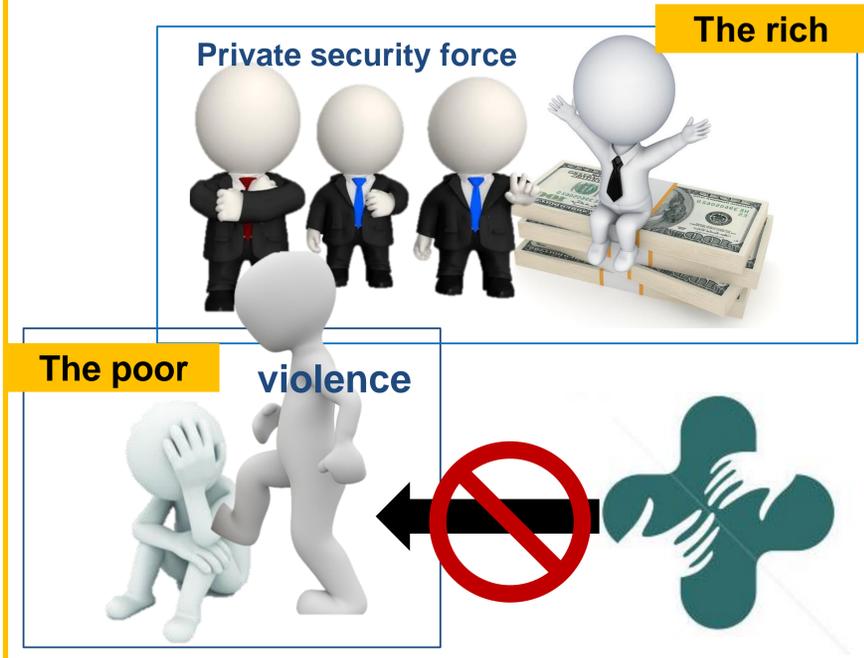

none of the child sponsorships, none of the microloans, none of the traditional anti-poverty programs were going to stop violence!

Most poor people live outside the protection of the law

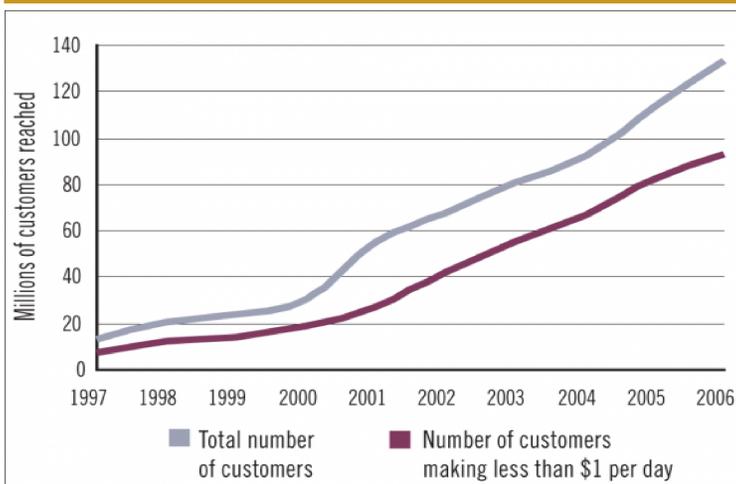

▲ Police force v.s. private force in developing country

(ii) Current situation

1997-2006 Reaching the Poverty with Microdebt worldwide

2015 Political Stability and Absence of Violence
