Problem

Staples substitute wheat for rice.

Rice And Wheat Consumption Over Years

IMPORT OF RICE AND WHEAT

Solution

Now : rice flour

1. High nutritive values
2. Less likely to result in flatulence
3. Without wheat gluten
4. Diminish oil absorption

Taiwanese popular snack

Cakes made from rice flour

Suggestion

Producer: Work together

Government:

- 1) Eliminate the wrong idea about rice to the general public.
- 2) To formulate benefit policies if companies use local rice as their ingredients in a certain proportion

Company:

- 1) To help market and propagate about the advantages and importance of rice.
