

◆ Poster Information for RSGF 2022

Before the RSGF, participants are requested to make mini posters for discussions, based on the assigned topics set under the main theme and submit on Padlet. Posters can be made by one student, or students who were assigned the same topic can make groups to make one poster.

Details:

1. Use “Power Point” or “Canva”.
2. Use Portrait Orientation (vertical) when designing your poster.
3. Font: “Century” , “Times New Roman” or “Arial” (*Make sure the font size you use is easy to read.*)
4. Your poster should include the following:
 - **What are the food problems related to your topic?**
 - **What are the causes of the problems?**
 - **What are the effects by the problems?**
 - **Are the current practices /actions related to sustainable food related to your topic? (*This is optional.)**
 - **School Emblem, School Name, Members’ Names, and the related SDGs logo located in the top portion of the poster**
 - **A nice title (You can use a subtitle, if you would like.)**
 - **Some text (key words, short explanation) and data (pictures, graphs, tables, maps)**
 - **References (APA7 format)**
 - **Effective use of colors and font size.**
 - **A nice layout as a whole**
5. Deadline: **Monday, October 17th**

Please make sure to submit it no later than 5 p.m. (JST) on Friday, October 21st because we will use the posters for discussions in the Pre-Meetings on October 22nd and October 23rd.

6. Place to submit (Padlet):
